

PEGANDO CÓDIGO DO VÍDEO NO YOUTUBE

Primeiramente o vídeo deverá estar no YouTube, se não souber criar um canal, acesse o link ao lado: <https://support.google.com/youtube/answer/1646861?hl=pt-BR>

The image shows a YouTube video player interface. The video title is "Joan Osborne - One of us HD" by user "matysik44", with 2,487 likes and 5,137,338 views. The video player shows a blurred scene. Below the player, the "Compartilhar" (Share) button is circled in red, and the "Incorporar" (Embed) button is also circled in red. A red arrow points from the "Incorporar" button to the embed code field, which contains the following code: `<iframe width="1280" height="720" src="https://www.youtube.com/embed/QOw7EuiFz0k?rel=0" frameborder="0" allowfullscreen></iframe>`. Below the code field, there is a "Visualizar" (View) button and a "Tamanho do vídeo" (Video size) dropdown menu set to "1280 x 720". There are also checkboxes for "Mostrar vídeos sugeridos quando o vídeo terminar", "Mostrar controles do player", "Mostrar título do vídeo e as ações do player", and "Ativar o modo de privacidade aprimorada".

Compartilhar > Incorporar > Marcar itens > Copiar o código marcado > Colar código no campo da administração do site.
